Tom: A

Intro: A7M Abm7 Gbm7 Abm7

A7M Abm7  
I'll have to get used to this  
Gbm7 Abm7  
Spend my hours and my days  
A7M Abm7 Gbm7 Abm7  
Drinking to everything that we never did  
A7M Abm7  
I was supposed to grow old with you  
Gbm7 Abm7  
To die in your arms  
A7M Abm7  
You were the best I ever had  
Gbm7 Abm7  
You we're the best of us  
A7M Abm7  
Now I'm far away  
Gbm7 Abm7  
And I hate myself  
A7M Abm7  
And I wish that I could be  
Gbm7  
By your side

A7M Abm7  
Cause it hurts a lot to see you  
Gbm7 Abm7  
Happy with her  
A7M Abm7  
Seeing how you kiss her  
Gbm7 Abm7  
Is driving me insane  
A7M Abm7  
And I won't say  
Gbm7  
It makes me happy  
Abm7  
Cause I'm not, and  
A7M Abm7  
I want you to be happy, but with me

Gbm7 Abm7  
I want you to be happy, but with me  
( A7M Abm7 Gbm7 Abm7 )

A7M Abm7  
Now I'm just a memory  
Gbm7 Abm7  
Lost in the sound  
A7M Abm7 Gbm7 Abm7  
Of her high pitched voice  
A7M Abm7  
And it hurts a lot to see you  
Gbm7 Abm7  
Happy with her  
A7M Abm7  
Seeing how you kiss her  
Gbm7 Abm7  
Is driving me insane  
A7M Abm7  
And I won't say  
Gbm7  
It makes me happy  
Abm7  
Cause I'm not, and  
A7M Abm7  
I want you to be happy, but with me  
Gbm7 Abm7  
I want you to be happy, but with me  
A7M  
And I can not lie  
Abm7 Gbm7  
I tried so hard to keep you near me  
Abm7  
By my side  
A7M  
But things run so fast  
Abm7  
I can not wait  
Gbm7 Abm7  
I can not lie  
( A7M Abm7 Gbm7 Abm7 )
