       G F Em
I promise you a better life
Relationships are based on loving
If I love you they say I should let you go (oh)
I'll never let you fly away
I can't deny that you've got my heart on lock
Baby you know I'm yours
I'm not giving up, giving up, giving up on you
If there's one thing that I know for sure
Tomorrow I'll love you more
I'm not giving up, giving up, giving up on you, on you
            G
On you, on yooou, on you
Giving up, giving up, giving up on you
With every look you see his face
          G
He broke your heart, then asked for space
             G
You've got my heart now take the key

On you, on yooou, on you
Giving up, giving up, giving up on you
Eight billion people but all I see is you
Seven seas of distance but I would swim the blue
Can I take you back? Right back to the start
To a place you're happy, I'll never break your heart
I can't deny that you've got my heart on lock
Baby you know I'm yours
I'm not giving up, giving up, giving up on you
If there's one thing that I know for sure
              Am
Tomorrow I'll love you more
I'm not giving up, giving up, giving up on you, on you
    Em G
On you, on yooou, on you
Giving up, giving up, giving up on you
