

Rob Thomas - Her Diamonds

Tom: G

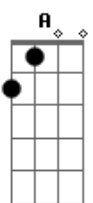

Oh what the hell she says
 I just can't win for losing
 And she lays back down
 Man there's so many times
 I don't know what i'm doing
 Like I don't know now
 By the light of the moon
 She rubs her eyes
 Says it's funny how the night
 Can make you blind
 I can just imagine
 And i don't know what i'm supposed to do
 But if she feels bad then i do too
 So i let her be
 And she says Ooh
 I can't take no more
 Her tears like diamonds on the floor
 And her diamonds bring me down
 Cuz i can't help her now
 She's down in it
 She tried her best and now she can't win it's
 Hard to see them on the ground
 Her diamonds falling down
 A Cm G
 She sits down and stares into the distance
 And it takes all night
 And i know i could break her concentration
 But it don't feel right
 G

By the light of the moon
 She rubs her eyes
 Sits down on the bed and starts to cry
 And there's something less about her
 And i don't know what i'm supposed to do
 So i sit down and i cry too
 And don't let her see
 G
 And she says Ooh
 I can't take no more
 Her tears like diamonds on the floor
 And her diamonds bring me down
 Cuz i can't help her now
 She's down in it
 She tried her best and now she can't win it's
 Hard to see them on the ground
 Her diamonds falling down
 Cm G
 She shuts out the night
 Tries to close her eyes
 If she can find daylight
 She'll be all right
 She'll be all right
 Just not tonight
 G
 And she says Ooh
 I can't take no more
 Her tears like diamonds on the floor
 And her diamonds bring me down
 Cuz i can't help her now
 She's down in it
 She tried her best and now she can't win it's
 Hard to see them on the ground
 Her diamonds falling down
