

Rob Thomas - Smooth

Tom: C

Tabbed By: David Goad

Comments: Thanks to, for the lyrics. I will post the solo later

when I figure it out. Carlos does a lot of improv with this so have fun.

P.S. This is taken from the Video on VH1. Not his live version. ALSO,

This song has some funny chords and Im not sure if the guitar plays them

But if anyone figures them out post them. Just the fills and stuff for now.

Intro:

Man it's a hot one
Like seven inches from the midday sun
I hear you whisper & the words melt everyone
But you stay so cool

My mu-equita, my Spanish harlem mona lisa

Your my reason for reason
The step in my groove

BRIDGE:

And if you say this life ain't good enough
I would give my world to lift you up
I could change my life to better suit your mood

Cause you're so smooth

CHORUS:

And just like the ocean under the moon
Well that's the same emotion that I get from you

You got the kind of lovin that can be so smooth
Gimme your heart, make it real
Or else forget about it

I'll tell you one thing
If you would leave it would be a crying shame

```

```

In every breath and every word I hear your name calling me out

Out from the barrio, you hear my rhythm from your radio
You feel the turning of the world so soft and slow
Turning you round and round

BRIDGE:

And if you say this life ain't good enough
I would give my world to lift you up
I could change my life to better suit your mood
Cause you're so smooth

CHORUS:

And just like the ocean under the moon
Well that's the same emotion that I get from you
You got the kind of lovin that can be so smooth
Gimme your heart, make it real
Or else forget about it
