

# Robbie Robb - In Time

tom:

Intro: D A Bm G  
D A Bm G

No fear  
No loss  
No tears

The time  
Is almost here

Our dreams  
Will all  
Come true  
I promise you

'Cause I  
Can see  
For miles  
And miles

[Refrão]

In time  
We'll be dancing in the streets all night  
(All night, all night)

In time  
Yes, everything will be all right  
(All right, all right)

It'll take time  
But we're going far  
You and me  
Yes I know we are

In time  
We'll be dancing in the streets all night

Oh yeah, oh yeah, oh yeah  
Oh yeah, oh yeah, oh yeah

In time  
We'll be dancing in the streets all night  
All night

One heart

One soul  
One mind

Our eyes  
Will not be blind

We'll see  
This rain  
Come down without this sound

We can all  
We can all  
Break free

In time  
We'll be dancing in the streets all night  
(All night, all night)

In time  
Yes, everything will be all right  
(All right, all right)

It'll take time  
But we're going far  
You and me  
Yes I know we are

In time  
We'll be dancing in the streets all night

Oh yeah, oh yeah, oh yeah  
Oh yeah, oh yeah, oh yeah
