

# Robbie Williams - Coffee Tea And Sympathy

Tom: C

with all, the will in the world,  
 im still powerless  
 I find myself, breaking the girl,  
 the king is half undressed  
 Shes not my saviour, dont take my seed  
 Your in no danger, caressing me

but your talking to a man im not supposed to be  
 and the clothes remain the same  
 a victory face the walk of shame  
 been nice to know you  
 soaking in the morning rain  
 found my car forgot your name  
 been nice to hold you
