I'm an honorary Sean Connery, born '74
There's only one of me
Single-handedly raising the economy
Ain't no chance of the record company dropping me
Press be asking do I care for sodomy
I don't know, yeah, probably
I've been looking for serial monogamy
Not some bird that looks like Billy Connolly
But for now I'm down for ornithology
Grab your binoculars, come follow me
I like to drink it up
But never like to sink it
