

Robbie Williams - King Of Bloke And Bird

Tom: G

Riff 1

Riff 1: ... Speak so loud
I cant hear what you say
Except for the occasional word
So fates a sentimental side
It bothers me
No longer king of bloke and bird

Am C
All of my life
Am C
Searching hard
Am C
Down in the wilds
Em
Of love

G D
Summon me now
Am C
Summon my life away
G D Am C
Summon me onto another day

riff 1: A hand through the clouds
Keeps knocking me down
It's no less than I deserve

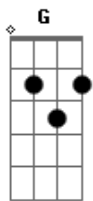

They built museums
I dont visit them
I've made enough trouble of my own

Am C
Into the night
Am C
Searching hard
Am C
Look for the light
Em
Of love

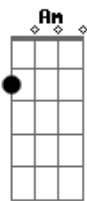

G D
Summon me now
Am C
Summon my life away
G D Am C
Summon me onto another day
G D Am C
Summon the evening winter waves of falling down again
G D Am
I sing from the chaos in my heart
My heart

Riff 1: Then comes the evening
That makes life worth living
Shoving the shoes out in the light
She walks in
I can hear her
