

# Robbie Williams - Revolution

Tom: G

D - C - G - E (2x)

<sup>D</sup> Don't fight the feeling, <sup>C</sup> relax

Oh child the knot's in your back <sup>G</sup>

'Cause you've been holding on

<sup>E</sup> I feel you when you're reaching out <sup>D</sup>

I'll talk you through memories <sup>C</sup>

Just keep breathing with me <sup>G</sup>

It's time to hold my hand

<sup>E</sup> And walk into the revolution <sup>D</sup>

When there's no one to touch <sup>C</sup>

And you've been thinking too much <sup>G</sup>

You only hurt yourself

When it's all about retribution <sup>E</sup> <sup>D</sup>

I see the pain in your face <sup>C</sup>

And praying rare for this space <sup>G</sup>

It's time to lead you on

<sup>E</sup> C'mon, it's a revolution <sup>Bm</sup>

When you can't keep on keeping on <sup>C</sup>

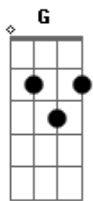

And everything you lean upon is all but gone <sup>G</sup> <sup>Gb</sup>

<sup>Bm</sup> Everybody falls sometimes <sup>E</sup>

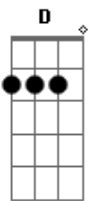

But love shines on <sup>A</sup>

And on and on and <sup>A7</sup>
