

# Robert Pattinson - Never Think

tom:  
 G  
 I should never think  
 What's in your heart  
 What's in our home  
 So I won't  
 You'll learn to hate me  
 But still call me baby  
 Oh love  
 So call me by my name  
 D A  
 And save your soul  
 Bm A  
 Save your soul  
 G A  
 Before you're too far gone  
 Bm A  
 Before nothing can be done  
 D A  
 I'll try to decide when she'll lie in the end  
 Bm A  
 I ain't got no fight in me in this whole damn world  
 G A  
 Tell you to hold off  
 Bm A

You choose to hold on  
 G A  
 It's the one thing I've known once I put my coat on  
 Bm A  
 I'm coming out in this all wrong  
 G A  
 She's standing outside holding me  
 Bm A  
 Saying oh please I'm in love  
 G A  
 I'm in love

D A  
 Girl save your soul  
 Bm A  
 Go on save your soul  
 G A  
 Before it's too far gone  
 Bm A  
 Before nothing can be done

G A  
 'Cause without me you got it all  
 Bm A  
 So hold on  
 G A  
 Without me you got it all  
 Bm A  
 So hold on without me you got it all  
 G A  
 Without me you got it all so hold on  
 Bm A  
 Without me you got it all so hold on  
 G A  
 Without me you got it all so hold on
