 And the moon and the stars were the gifts you gave

 to the dark and empty skies, my love

 The first time ever I kissed your mouth

I felt the earth move in my hand,
 like a trembling heart of a captive bird,
 That was there at my command, my love,

And the first time ever I lay with you
 I felt your heart so close to mine
 and I knew our joy would fill the earth
 And last till the end of time, my love
 Dm G C G C
 The first time ever I saw your face
 Bb C Bb
 Your face, your face
