

# Roberta Flack - Tonight I Celebrate My Love For You

Tom: Eb

**Eb Ab Bb**  
 Tonight I celebrate my love for you  
**Eb Ab Bb**  
 It seems the natural thing to do  
**Eb Fm**  
 Tonight no one's gonna find us  
**Bb7 Gm**  
 We'll leave the world behind us  
**Fm Bb7**  
 When I make love to you

**Eb Ab Bb**  
 Tonight I celebrate my love for you  
**Eb Ab Bb**  
 And hope that deep inside you'll feel it too  
**Eb Fm**  
 Tonight our spirits will be climbing  
**Bb7 Gm**  
 To a sky lit up with diamonds  
**Fm Bb7**  
 When I make love to you  
**Eb**  
 Tonight  
**Ab Gm Bbm7 Eb7**

Tonight I celebrate my love for you  
**Ab**  
 Ooh, and that midnight sun  
**Gm Bbm7 Eb7**  
 Is gonna come shining through  
**Cm Gm**  
 Tonight there'll be no distance between us  
**Fm Abm**  
 What I want most to do is to get close to you

**Eb**  
 Tonight  
 Tonight I celebrate my love for you  
 And soon this old world will seem brand new  
 Tonight we will both discover  
 How friends turn into lovers  
 When I make love to you  
 Tonight I celebrate my love for you  
 And that midnight sun  
 Is gonna come shining through  
 Tonight there'll be no distance between us  
 What I want most to do  
 Is to get close to you  
 Tonight I celebrate my love for you  
 Tonight.
