

Roberta Sá - Água Doce

Tom: G

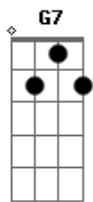

Quando o canto é reza, todo toque é santo
 Toda estrela é guia, todo mar encanto
 Quando a lua passeia na Pedra da Sereia
 Toda fonte é sagrada, toda água é doce
 Toda alma é pura, toda aura é bela
 Quando a mão se perfuma, todo beijo é uma flor
 Todo coração tem um mistério, toda paixão tem um segredo
 Toda fé tem um andor

Quando a sombra do mal se esconde
 Toda paz é filha de Gandhi
 Toda força tem seu louvor
 Quando o olhar se ilumina
 O coração se inclina
 O amor abre a cortina
 E todo chão se empina
 Numa colina sob um lençol de alecrim
 E lá de cima quem abençoa
 É nosso Senhor do Bonfim
