

Roberta Sá - Mutirão de Amor

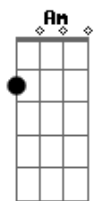

tom:

Am

Cada um de nós deve saber se impor
 E até lutar em prol do bem-estar geral
 Afastar da mente todo mal pensar
 Saber se respeitar
 Se unir pra se encontrar
 Por isso eu vim propor
 Um mutirão de amor
 Pra que as barreiras se desfaçam na poeira
 E seja o fim

O fim do mal pela raiz
 Nascendo o bem que eu sempre quis
 É o que convém pra gente ser feliz
 Cantar sempre que for possível
 Não ligar pros malvados
 Perdoar os pecados
 Saber que nem tudo é perdido
 Se manter respeitado
 Pra poder ser amado
