

Roberta Sá - Valsa da Solidão

Tom: Bb

Onde estava tanta estrela que eu não via
 Onde estavam os meus olhos que não te encontravam
 Onde foi que pisei e não senti
 No ruído de teus passos em meu caminho.

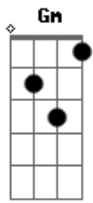

Onde foi que vivi

Se nem me lembro se existi
 Longe de você.

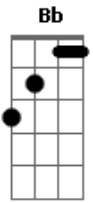

Ah! Foi você quem trouxe essa tarde fria
 E essa estrela pousada em meu peito

Ah! Foi você quem trouxe todo esse vazio
 E toda essa saudade, toda essa vontade de morrer de amor.
