

Roberto Carlos - Breakfast

```
Tom: A
As the sun fills the sky
And tomorrow turns into today
                      Gbm
You are dreaming the morning away
                              Bb7 A7
                    Em
Are you dreaming of me?
Think of the night
                Dbm
All the time for our love is so right
I want so much for you to be mine
               E7
And the world will be ours
As the sun fills the sky
         Abm
I will order a breakast for two
                 Gbm
But my hunger in only for you
        B7
                           Bb7 A7
Let me love you again
Let's take some time
                       Dbm
There'll be nothing to take us outside
                        Bm
And there's nothing but you on my mind
Only you in my heart
I don't believe
                   Gbm
There's a reason to go anywhere
```
