

Roberto Carlos - Come To Me Tonight

Tom: A
Intro: A E A E D A E
Gbm Bm7 E7-

I see you when I close my eyes
I smile and say your name to myself
No one has to know the way I feel
I'm thinking about the special
Way you hold me, oh !
It makes me dizzy
And I wanna be with you
And give you the sweet love I wanna give you.
Come to me tonight
Come to me tonight
I just can't sleep with thoughts of you
Running through my mind
Every part of me longs to be
A part of you, cifras com br
Oh! Darling, come to me tonight
I've fallen in the deepest dream
Still I'm wide aware
And I wonder if I call you

Will you say it's too late?
Oh! Will you come out while
The moon is standing still, oh!
Say you will, 'cause I
Wanna be with you and
Give you the sweet love I wanna give you
Come to me tonight
Come to me tonight
I just can't sleep with thoughts of you
Running through my mind
Every part of me longs to be
A part of you,
Oh! Darling, come to me tonight
I'm thinking about the special
Way you hold me, oh !
It makes me dizzy
And I wanna be with you
And give you the sweet love I wanna give you.
Come to me tonight, ...
