

# Roberto Carlos - Nunca Te Esqueci

Tom: A

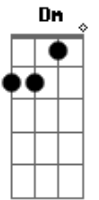

Nunca te esqueci  
 E não sei fingir  
 E dentro do peito  
 Coração diz que te amo  
 Nunca mais voltei  
 Não te procurei  
 E no meu silêncio  
 só eu sei quanto eu te chamo  
 Nada se apagou  
 A saudade não deixou  
 É difícil esquecer

Mesmo longe de você  
 Não sei se em sua vida  
 Há lugar pra mim  
 um sonho um pensamento alguma coisa assim  
 Mas eu ainda te quero em minha vida  
 Não existe despedida  
 Quando a gente quer ficar  
 Talvez sejam delírios do meu coração  
 Quem sabe essa saudade e essa solidão  
 Mas eu ainda te amo ainda te quero  
 Por você ainda espero  
 E só penso em voltar
