

Roberto Carlos - Resumo

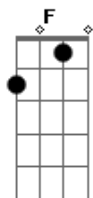

Tom: F
Intro: F F7 F F F7 F

Qual folha que vaga sem rumo e sem vida
No espaço perdida, sou eu a vagar
qual chuva correndo nos olhos do tempo
nos mares crescendo sou eu a chorar
Qual sombra da noite de um céu nevoento
que canta tristezas, sou eu a cantar
Qual mente que vai aos pés do infinito,
gritando, gritando, sou eu esse grito
Eu sou o consolo de um sol sem calor

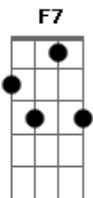

Enfim sou resumo do riso e da dor
Eu colho a tristeza em forma de flor
na paz da certeza onde canta o amor
Qual sombra da noite de um céu nevoento
que canta tristezas, sou eu a cantar
Qual mente que vai aos pés do infinito,
gritando, gritando, sou eu esse grito.

Qual sombra da noite...
