Passam por dentro de mim

Uma cidade e um rio

Agosto de muito frio

Setembro de muita flor

Por cada beco vazio meu coração ocupado

Passando pelo passado

Tenta passar pela dor

Passa por dentro de mim

Um Subaé de lembranças

Pensamento enquanto dança

Dança comigo também

Trapiche do Desamparo

Rua do Patriotismo

As ruas são meus abismos

Que me conhecem tão bem

O rio lava a memória com suas águas imundas

Lava a saudade mais funda

De um tempo que já não é

E eu busco um tempo perdido

Um Proust, sem madalenas

Não sei se rio ou cinema

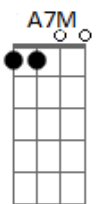

Ou se sonho um Subaé

As ruas são meus abismos

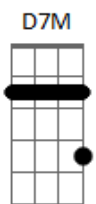

Ou se sonho um Subaé
