

## **Roberto Paz - Straight From The Heart**

```
You know I'll never go as long as I know it's comin
           G C
Straight from the heart.
I see you on the street some other time,
When all the words will just fall out of line
        Bb F Bb
                      straight from the heart.
While we're dreamin'
Oh give it to me straight from the heart
                    G
Tell me we could make another start
                 Am G
You know I'll never go as long as I know it's comin
             G C
Straight from the heart.
(Parada Instrumental)
Straight from the heart
Tell me we could make one more start
                  Am
You know I'll never go as long as I know, give it to me now
Straight from the heart.
Repete e depois termina assim:
It's comin' straight from the hear
```
