

Robin Gibb - I Am The World

Tom: D

True love is one thing I've been dreaming of
 I give my soul to you
 And when I do
 You are to me, the very deepest part of me
 In the darkness, it's you that always shows the way
 The very air I breathe
 When hope is gone
 You give me all the strength that I need to carry on

I am the world
 I am the sky
 I am the sea
 I'm anything that you want me to be

When you hurt me, then I become the night time
 The shadows in my eyes don't make it good
 It shows this heart is not made of wood

When you stay with me then I can feel the sunlight
 The love light fills my eyes
 And through the tears
 I feel my fears just melt away
 I am the world
 I am the sky
 I am the sea
 I'm anything that you want me to be
 (Bb F C G)
 (Gb F A Bb C)

I am the world
 I am the sky
 I am the sea
 I'm anything that you want me to be

I am the world
 I am the sky
 I am the sea
 I'm anything that you want me to be
