

Robin Gibb - One Way Love

Tom: A

m

Handing my heart
 All of my life has been emptiness
 I was alone
 All that i needed was tenderness
 Lovers come and go
 You know you're the one i've been looking for
 I was alone
 You came along and changed everything
 You gave me your lies
 I would've given you anything
 Anything in this world
 But i'd be a fool to let it go
 Just look in my eyes
 And let me be
 Tell me no lies
 Don't wanna walk away of love
 Don't wanna walk away of love
 I'm just a genuine man
 But baby would you give me a chance
 Don't tell me no, no, no
 No, no, no
 One way love got enough
 One way love to be tough
 One way love is enough for me
 Me
 Oh yeah
