Robin Gibb - Sanctuary
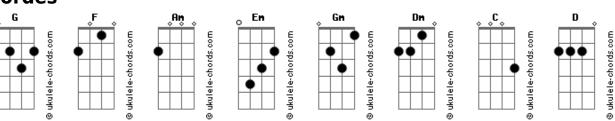

```
Tom: G
Intro: F   Am   Em   Gm
          Dm   G

        F
Not a minute I remember
      Am
That I doubted you
      Em
In the middle of a crisis
         Gm
I would count on you
      Dm                G
And baby, you're what I am
      Dm
Yes baby,
F
having you beside me
      Am
I could do no wrong
        Em
And a pack of wild horses
          G               Dm
Couldn't keep me long from you, babe
             G
You're what I am
        Dm
Oh, yes baby

Am        G           C
Hey now, don't think twice
G                        F
We could be together in paradise
Am        G           C
And hey now, don't look back
G
We can face tomorrow
        F              Am
If we stay on track, oh, yeah

         C         Gm
Sanctuary, oh, yeah
         Dm        F
Sanctuary, oh, yeah
         C              Gm
Sanctuary, yeah yeah yeah yeah
         Dm        F
Sanctuary, oh, yeah

           F
I went looking for an angel
         Am
That would save my soul
           Em
And a devil in disguise
             Gm
To make me lose control
     Dm              G
And baby, you're part of me
     F
The secret of the universe
Am
```

```
And all it means
           Em
I was caught up in a boulevard
         Gm
Of broken dreams
      Dm                G
And baby, you hold the key
           Dm
Oh yes baby

Am        G           C
Hey now, don't think twice
G                        F
We could be together in paradise
Am        G           C
And hey now, don't look back
G
We can face tomorrow
        F              Am
If we stay on track, oh, yeah

         C         Gm
Sanctuary, oh, yeah
         Dm        F
Sanctuary, oh, yeah
         C              Gm
Sanctuary, yeah yeah yeah yeah
         Dm        F
Sanctuary, oh, yeah

           F
Not a minute I remember
         Am
That I doubted you
           Em
In the middle of a crisis
         Gm
I would count on you
         Dm              G
And baby, you're what I am
         Dm
Yes baby, you're what I am

         D         Am
Sanctuary, oh, yeah
         Em        G
Sanctuary, oh, yeah
         D  Am
Sanctuary
         Em          G
Sanctuary, yeah yeah

           D
And I need this place to find the life
           Am
That I needed so bad
                         Em
You embrace when I'm gone, gone

I need you now
             G
Because everything is everything
```
