

Robin Sparkles - Two Beavers Are Better Than One (The Beaver Song) (feat. Jessica Glitter)

Tom: G

Intro: F

Hey beaver come on
 When you feel alone
 Just pick up that phone
 I'll be there to share my
 Ice cream cone
 We'll lick it side by side
 And deep inside you'll know before the day is done

Hey beaver, it's true (it's true)
 I do believe I knew (do believe I knew)
 I got that fever too (I got the fever too)
 So let's go do what hungry beavers do
 It will taste so good
 We gobble wood and have ourselves some damn good fun

Two beavers are better than one
 A da da da da da da daaaa
 Two beavers are better than one
 They're twice the fun ask anyone
 A second beaver can be
 Twice the fun
 Two beavers are better than one
 Da ra ra ra ra ra ra ra ra ra (you're my favourite beaver)

Da ra ra ra ra ra ra ra ra ra (Space Teens are forever)
 Da ra ra ra ra ra ra ra ra ra (don't forget to do your homework cause math's cool!)
 We'll share a root beer float
 And learn a-boat (about) how friendship Weighs a metric tonne
 Two beavers are better than one
 A da da da da da da daaaa
 Two beavers are better than one
 They're twice the fun ask anyone
 A second beaver can be
 Second to none
