

# Rock Nu Pêlo - Alone You Can Hear Rock'n Roll

Tom: E

I can walking down on the road  
 Free of the working load  
 Looking for a bar and a sound  
 After some miles I found it  
 At counter I ask for a drink  
 Nobody to talk I think  
 No girls, no friend to drink a beer  
 There's a Rock'n Roll playing here

Alone I can hear Rock'n Roll  
 Alone you can hear Rock'n Roll  
 Alone we can hear Rock'n Roll

Alone you can hear Rock'n Roll

You can walking down on the road  
 Free of the working load  
 Looking for a bar and a sound  
 After some miles you found it  
 At counter I ask for a drink  
 Nobody to talk I think  
 No girls, no friend to drink a beer  
 There's a Rock'n Roll playing here

Alone I can hear Rock'n Roll  
 Alone you can hear Rock'n Roll  
 Alone we can hear Rock'n Roll  
 Alone you can hear Rock'n Roll
