

Rock Of Ages - Beaver Hunt

tom:

Intro: A C G A

G E

You know a fox can shake my rocks

You know a dove can drain my love

You know that kitty, is so pretty

But when I wanna get down

I need it furry and brown

There must be beaver near by

I see the tracks they don't lie

And I'm sure I can smell

The musky scent of a pelt

And you know if I don't get it I'll cry

[Refrão]

(Beaver hunt) I'm hunting beavers

(Beaver hunt) I got the fever

(Beaver hunt) And then I'll leave her

(Beaver)

You know a swan can raise my wand

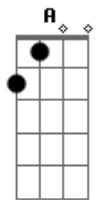

You know that cod can kiss my rod

I'll nail the sparrow with my arrow

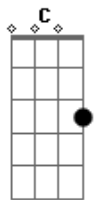

But if I want it real good you gotta gnaw on my wood

There must be beaver near by
