Tom: E

m

[Primeira Parte]

Em G A C Em G A C  
 If you want me to leave, lower your head, and I will  
 Em G A C Em G A C  
 But if I walk away, know that it will be the end

[Pré-Refrão]

Em G A C  
 Cause everything I've built here inside is about to collapse

[Refrão]

Em G A C  
 How could you give up our life together?  
 Em G A C  
 We promised each other that we'd do our best  
 Em G A C  
 And now you're running away from me  
 Em G A C  
 So that's why I'm asking again: ?how could you??

Em G A C  
 Oh, oh, oh, oh... oh, oh, oh, oh, oh... how could you?  
 Em G A C  
 Oh, oh, oh, oh... oh, oh, oh, oh, oh... yeah how could you?

[Segunda Parte]

Em G A C Em G A C  
 Holding my hand, you looked inside me that day  
 Em G A C Em G A C
