

# Rockeer - Stuck

Tom: A

No need to be quiet  
 Mouth always shut  
 You want to scream  
 So, why you gave up?

You've been stuck in this same old place  
 But I know we are free to go  
 There's no need for explanation  
 I bet soon we'll rule the world

( Gb A B )  
 ( Gb A B )  
 ( Gb A B )  
 ( Gb A B )

No need to regret  
 Just leaving our past  
 This feeling is real  
 We are drawing our path

Ôô Ôô

You've been stuck in this same place-o  
 And we are free to go  
 There's no need for explanation  
 Soon we'll rule the world

Sooner or later, we'll be together

Sooner or later, we'll fight together

B Db  
 Ôô Ôô

( Gb A B )  
 ( Gb A B )  
 ( Gb A B )  
 ( Gb A B )

You've been stuck in this same old place  
 But I know we are free to go  
 There's no need for explanation  
 I bet soon we'll rule the world

You've been stuck in this same place-o  
 We are free to go  
 There's no need for explanation  
 Soon we'll rule the world

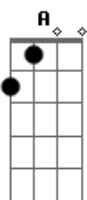

Sooner or later, we'll be together  
 Sooner or later, we'll fight together

Ôô Ôô

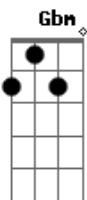

( Gb A B )

Never stuck again  
 Never stuck  
 Never stuck again  
 Never stuck  
 Never stuck again  
 Never stuck  
 Never stuck again
