 [intro]

G G C D G G
 Outside another yellow moon
 C D
 Has punched a hole in the nighttime
 G G C D G G
 I climb through the window and down to the street
 C D
 I'm shining like a new dime

C C D D
 The downtown trains are full
 C C D D
 With all those Brooklyn girls
 Em Em D D
 They try so hard to break out of their little world

You wave your hand and they scatter like crows
 They have nothing that will ever capture your heart
 They're just thorns without the rose
 Oh, be careful of them in the dark

And if I was the one
 You chose to be your only one
 Oh baby now, can't you hear me now

G G C C G G C C
 Will I see you tonight on a downtown train

G G C C Am Am D D
 (G...) Where every night is just the same; You leave me
 lonely now

(Now) I know your window and I know it's late
 I know your stairs and your doorway
 I walk down your street and past your gate
 I stand by the light at the fourway

You watch them as they fall
 Ooh, and they all have heart attacks
 They stay at the carnival, but they'll never win you back

Will I see you tonight on a downtown train
 Where every night, every night is just the same; you leave me
 lonely

Will I see you tonight on a downtown train
 Where every night, every night is just the same, all upon a
 downtown

 G D G D G D D D D D
 [instrumental]

Will I see you tonight on a downtown train
 Where every night, every night is just the same, you leave me
 lonely

Will I see you tonight on a downtown train
 Where all my dreams just fall like the rain, all upon a
 downtown train
