

Rod Stewart - I don't want to talk about it

Tom: A
Intro: Dbm7 Gb B B7

Dbm7
I can tell by your eyes
That you've probably been crying forever
And the stars in the sky don't mean nothing
To you, they're a mirror

E I don't wanna talk about it
How you broke my heart
E If I stay here just a little bit longer
E If I stay here won't you listen
To my heart, oh my heart

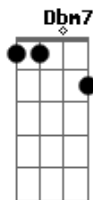

Dbm7
If I stand all alone
Will the shadows hide the colours of my
Heart (Blue for the tears, black for the nights)
Well, the stars in the sky don't mean
Nothing
To you they're a mirror

E I don't wanna talk about it
How you broke my heart
E If I stay here just a little bit longer
E If I stay here won't you listen
To my heart, oh my heart
