

# Rod Stewart - Lost In You

Tom: G

G  
Hey baby

C  
You've been on my mind tonight

G C  
I'm so lonely I just had to sit down and write

G  
I spent all yesterday

C  
Trying to figure out what i'm gonna say

G  
One letter from the heart

C  
Is so hard to start, baby

G  
How's your momma how's the weather

C  
How's that son of mine, yeah

G  
Hey baby

C  
Been a long time since we made love

G C  
I'm stone cold, the bed's hard, and the work is tough

G  
I'm never gonna leave you again

C  
This job ain't worth the pain

G  
No money in the world

C  
Ain't worth being away from you

G  
Ooh baby I don't sleep

C  
Without you by my side, listen

Em D  
I'm in love with you woman

G C  
It's a common known natural fact

Em D  
And i've found what i'm looking for

G C  
And so much more than that

G C  
I'm lost in you

G C  
I'm lost in you

G C  
I'm lost in you

G C  
I'm lost in you

Hey baby  
You don't know what you've done for me  
I'm so happy as any man can deserve to be  
I was living in a life of sin  
God knows what a mess I was in  
So glad you found me  
I ain't getting any younger  
Hey baby, I just hope  
It ain't all a dream

Em D  
I'm in love with you woman

G C  
It's a common known natural fact

Em D  
And i've found what i'm looking for

G C  
And so much more than that

G C  
I'm lost in you

G C  
I'm lost in you

G C  
I'm lost in you

G C  
I'm lost in you

I miss you, baby  
(I miss you, too)

I miss your laughing eyes  
I miss our baby crying  
I wanna lay you out  
And kiss you all over  
I'm coming home real soon  
Be ready cause when I do  
I'm gonna make love to you  
Like fifteen men

I'm lost in you  
And I love it  
I'm lost in you  
And I love it  
I'm lost in, I'm lost in  
I'm lost in you  
And I just love it (repeat and fade)
