

Rod Stewart - Lost In You

Tom: G

G
Hey baby

C
You've been on my mind tonight

G C
I'm so lonely I just had to sit down and write

G
I spent all yesterday

C
Trying to figure out what i'm gonna say

G
One letter from the heart

C
Is so hard to start, baby

G
How's your momma how's the weather

C
How's that son of mine, yeah

G
Hey baby

C
Been a long time since we made love

G C
I'm stone cold, the bed's hard, and the work is tough

G
I'm never gonna leave you again

C
This job ain't worth the pain

G
No money in the world

C
Ain't worth being away from you

G
Ooh baby I don't sleep

C
Without you by my side, listen

Em D
I'm in love with you woman

G C
It's a common known natural fact

Em D
And i've found what i'm looking for

G C
And so much more than that

G C
I'm lost in you

G C
I'm lost in you

G C
I'm lost in you

G C
I'm lost in you

Hey baby
You don't know what you've done for me
I'm so happy as any man can deserve to be
I was living in a life of sin
God knows what a mess I was in
So glad you found me
I ain't getting any younger
Hey baby, I just hope
It ain't all a dream

Em D
I'm in love with you woman

G C
It's a common known natural fact

Em D
And i've found what i'm looking for

G C
And so much more than that

G C
I'm lost in you

G C
I'm lost in you

G C
I'm lost in you

G C
I'm lost in you

I miss you, baby
(I miss you, too)

I miss your laughing eyes
I miss our baby crying
I wanna lay you out
And kiss you all over
I'm coming home real soon
Be ready cause when I do
I'm gonna make love to you
Like fifteen men

I'm lost in you
And I love it
I'm lost in you
And I love it
I'm lost in, I'm lost in
I'm lost in you
And I just love it (repeat and fade)

Acordes
