1. Verse:

```

  A           E
When the rain came I thought you'd leave
cause I knew how much you loved the sun
But you chose to stay, stay and keep me warm
Through the darkest nights I've ever known
If the mandolin wind couldn't change a thing
Then I know I love ya
  
```

2. Verse:

```

  A           E
Oh the snow fell without a break
Buffalo died in the frozen fields you know
Through the coldest winter in almost fourteen years
I couldn't believe you kept a smile
Now I can rest assured knowing that we've seen the worst
And I know I love ya
  
```

3. Verse:

I recall the night we knelt and prayed
Noticing your face was thin and pale

No mandolin wind couldn't change a thing
Couldn't change a thing no, no
