

Rod Stewart - This old heart of mine

Tom: A
Intro: A Dbm D Dbm Bm E7 (twice)

This old heart of mine
Being broken a thousand times
Each time you break away I feel you're gonna stay
Lonely nights to come
Memories that burn
When you look back again hurting me more and more

Maybe it's my mistake
To show this love I feel inside
'Cause each day that passes by
You got me never knowing every time
that I fall apart

I love you, yes I do, this old heart
I love you, yes I do, yes I do, reach for you

I've tried hard to hide my hurt inside

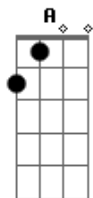

This old heart of mine always keep me flying
The way you treat me, leaves me incomplete
Girl you're here for the day
Gone for the week
Girl if you leave me a hundred times
A hundred times I'll take you back
I'll go wherever you want
I'm not to tell you story of a doubted heart

I love you, yes I do, this old heart
I love you, yes I do, yes I do, reach for you

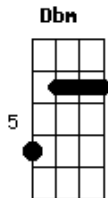

This old heart of mine
Being broken a thousand times
Each time you break away I feel you're gonna stay
Lonely nights to come
Memories that burn
When you look back again hurting me more and more
