

Rodrick Chagas - I'm Crazy For You

tom:

I know, I'm crazy, for you my girl
 I know, I'm crazy, for you my girl
 So say that you love me!

Just say that you love me!
 I'll be the right man in the right place
 I'll be the right man in the right place
 If you just give me a chance!
 If you just give me a chance!
