

Rodrigo Amarante - I'm Ready

Tom: G
 Intro: Em Gbdim Em
 You say we--'re the chosen ones
 And claim it's our only chance
 You take with you my son
 But you where have you gone?
 The flag you shipped him home In
 Is fading

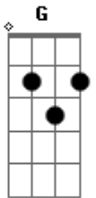

Now say something I don't know
 And spare me the honor play
 Said and done
 Short of some
 Somebody else's son fills in
 I'm ready
 I'm ready for the end , you know why
 I'm ready

Well it never goes away
 It turns out
 The mill counts a minute pass
 The sill where the widows wait
 Its where it all begun
 His fort command his gun
 Oh god what have I done, for him?
 I'm ready
 I'm ready for the end , you know why
 I'm ready
 Well it never goes away
 It turns out (2x)
 (Em F#dim)
 Quem na rua se perde
 Encontra o que pede
 Acerta o que mede
 E conta até errar
 Que o erro é onde a sorte está
 Não queira ver
