[Segunda Parte]

[Primeira Parte]

Bm Dbm D Bm
O Tao que ouvi dizer
Bm Dbm Bm
Não é o eterno Tao
Bm Dbm D Bm
O nome que se lê
Bm Dbm Gbm
Não é o do eterno ser, mas
Bm Dbm D Bm
Um afã me vem
Bm Dbm Bm
E um calor me dá
Bm Dbm D Bm
Quando o nome eu sei
Bm Dbm Gbm
Já não posso lhe calar

Bm Dbm D Bm
Source of a thousand things
Bm Dbm Bm
The Tao is an empty cup
Bm Dbm D Bm
Poured and never filled
Bm Dbm Gbm
Hidden deep and yet above
Bm Dbm D Bm
Before the gods could dance
Bm Dbm Bm
And now before my eyes
Bm Dbm D Bm
The Tao must be a glance
Bm Dbm Gbm
Of the sweetness in her smile

[Refrão]

Em
No arco do olho entre
Gbm
Os cílios do sol, pavão
Em
Na curva do rio que é
Gbm
Turva de um céu, pagão
Em
Na linha dos ombros
Gbm Em
Nas sombras nas dobras da mão nos vãos
Em Gb7
Se foi tudo amor, é amor o nome então

[Refrão]

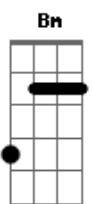

Em
In the arch of the eye
Gbm
In the face of the storm above
Em
In the curve of a ridge
Gbm
Where a bridge once was born and burned
Em
In the line of her lips her
Gbm Em
Her hips her hands made of clay her play
Em Gb7
If all was once love than love is the name
