

Rodrigo Amarante - Tara

tom:

Intro: D7 G7 D7 G7
D7 G7 D7 G7 D7

[Primeira Parte]

Tua tara, meu engano
Não havia outro plano
Nosso amor que era novo
Não chegou a ver tanto
Mal sabia

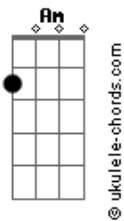

Teu apelo, o meu abalo
Eu morro e não me calo
Nosso amor que era carne
Cresceu fraco do osso
Quem diria
Morre moço

[Refrão]

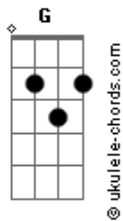

Um amor sem cuidado está marcado
Vive de sonho, acorda tarde demais

[Segunda Parte]

Meu apego, teu pecado
Não havia outro lado
Nosso amor que era ferro
Não chegou a ver fogo
E bastaria

Tua cena, deletério
Quando nada é tão sério
Quase tudo é piada, me diz
Qual a graça ver o circo em chama
Se quando amas ferres fundo?

[Refrão]

Um amor sem cuidado está marcado
Vive de sonho, acorda tarde demais
