

Rodrigo Vangelino - As Lembranças

tom: A

Nas lembranças ficou toda a saudade

Mas ainda lembro dos nossos beijos

Me recordo como se ainda fosse hoje

Não consigo ficar um minto sem te ver

Vem vamos viver um novo amor

Quero começar uma nova história

[Refrão]

Seus beijos me deixa todo apaixonado

Teus cabelos balançam com os ventos

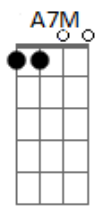

A tua voz virou a minha melodia

Hoje eu só quero poder te amar

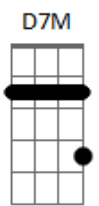

Venha ser a minha mulher

Que eu serei todo seu
