

Roger Waters - The Last Refugee

Tom: Gb
 Intro: Db B Gb
 Db Abm Bbm
 Db B Gb

Db Abm
 Lie with me now
 Bbm
 Under lemon tree skies
 Db B
 Show me the shy, slow smile you keep hidden by warm brown eyes
 Gb
 Catch the sweet hover of lips just barely apart
 Db Abm
 And wonder at loves sweet ache
 Bbm
 And the wild beat of my heart
 Db B Gb
 Oh, rhapsody tearing me apart
 Db Abm
 And I dreamed I was saying goodbye to my child
 Bbm Db
 She was taking a last look at the sea

B
 Wading through dreams, up to our knees in warm ocean swells
 While bathing belles, soft beneath
 Gb
 Hard bitten shells punch their iPhones
 Erasing the numbers of radon done lovers
 Db
 And search the horizon
 Abm
 And you'll find my child
 Down by the shore
 Bbm
 Digging a mound for a chain or a bone
 Db B (melodia)
 Searching the sand for a relic washed up by the sea
 Gb
 The last refugee
