

Rogério F. Lima - Pintura

tom: G

Vem cantar que a primavera viva em teu desejo
 Na vontade de abrir-se em meu sorriso
 Reinventando pintura livre
 Um assobio, uma canção
 Que seja a vida e seja bela

Bom dançar, as cores se revestem nesse gesto
 O gozo toma corpo e amanhece

Para as cortinas e as janelas
 Tudo é bom
 Tudo as- sim
 Como é pra ser pintado

Toda cor nanquim, tela de algodão
 Tinta pra fazer esboços, rabiscos
 Sombras e riscos, tua paisagem
 Feita você,
 Feita você
