

# Rogério Skylab - A Máquina Fantástica

tom:

Intro: Bb Am Dm Gm Bbm

A máquina projeta  
A imagem na tela

Movida por águas  
Que sobem, que descem

Quería estar vivo

Andando nas ruas  
Meu corpo na tela

É pura imagem  
Sem sangue nas veias

Bb Gm

Sem osso, sem massa  
A máquina projeta  
A imagem na tela

( Bbm Bb A Am )  
( F Bb Gm )

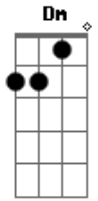

Quería estar vivo

No meio da massa  
Me pega me abraça

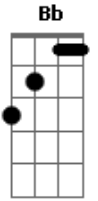

Me beija me amassa

A tela é fria  
A imagem vazia
