

Rogério Skylab - Nós Perdemos Todos Os Amigos

tom: E

Nós perdemos todos os amigos
 Mas ainda não os conhecíamos
 Quando nos encontramos, à beira do abismo
 Foi um encontro imprevisível

A gente maldizia a maioria

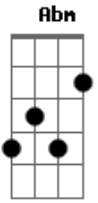

Nossa maledicência coincidia
 Nossos ex-amigos faziam sucesso
 À beira do abismo a gente ria

Havia uma certa alegria
 E a boca torta da ironia
 O sol se punha, não havia mais saída
 Estávamos fodidos e tão felizes
