tom:  
 Capotraste na 3ª casa  
 Intro: C C Cadd9 C

She's a Woman and she's warm inside  
 And I love her that's the reason why  
 When we were together the world goes by  
 And it funny you were just another girl  
 But you got me on the skin  
 And there's no way out

Woman don't mind  
 I'm lost without your love  
 (Lost without your love)  
 (Lost without your love)  
 Woman don't mind

When I'm away from you

She's a Woman that's the way it always will be

So my friend if you see her  
 Telling to come home to me

Woman don't mind  
 I'm lost without your love  
 (Lost without your love)  
 (Lost without your love)  
 Woman don't mind
