

# Roland Faunte - Hand Over Hand

Tom: G

Oh Eb  
 Little love G  
 Hold me down Ab  
 I've had enough Bb

Oh Eb  
 Falling fast and screaming loud G  
 I'm finding ways to drown it out Ab

And hoping you can hold me down Bb  
 People change Eb  
 Start falling in and out of pairs G  
 But for now it all just really hurts Ab  
 And I need you to hold my hand Bb Bb Eb

Oh Eb  
 Little love Eb  
 I'm lost and might be never found G  
 I'm hoping you can hold me down Ab Bb
