

Rolando Boldrin - Adeus Meu Pai (Facilitada)

Tom: C

Intro: Fm Cm Fm Cm Ab G

Adeus meu pai, adeus minha mãe
Adeus meu pessoal

Tô indo embora pro mundo afora
E dentro de um bernal

Levo um restinho de alegria
E um bocadinho de sal

Que cai dos olhos, de dentro deles
Com uma saudade mortal

Eu deixei minha família

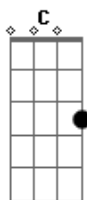

De um jeito que tanto faz
Nas terras que eu mais queria
Lá no sertão de Goiás

Boiada marcada a ferro
Com as letras de outro patrão
Quando atravessa o rio Grande
Não volta nunca mais não

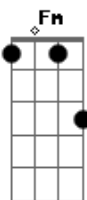

("É um giro, giro que não se passa nos rios e lagoas")

Não volta nunca mais não
