

Rolando Boldrin - Violão Em Seresta

Tom: D

Meu violão em seresta, à luz de um luar

A natureza em festa, tudo parece cantar

Só eu tristonho na rua, sozinho, sem ninguém

Vivo cantando prá lua a canção que é só tua

Meu querido bem

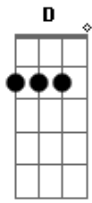

Vivo cantando prá lua a canção que é só tua

Meu querido bem

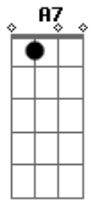

Porque não vens, não vens escutar, o teu cantor a cantar

Esta canção que eu mesmo fiz, por ser assim infeliz
