

Romero Amorim e Maurício Cavalcanti - Aurora de Amor

tom: G

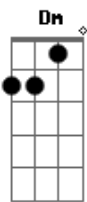

Meu Recife eu te lembro
 De Aurora à janela
 Debruçada tão bela
 Debruçada tão bela
 Sobre o Capibaribe
 O seu rio namorado
 E a sorrir flamboyants
 Em vermelhos rendados
 E se amando no espelho
 Sob o sol das manhãs (2x)
 E nessa lembrança

A vida era linda!
 E a gente ainda seria criança
 Eu Imperador, você Imperatriz!
 E na fantasia a gente sorria feliz (2x)
 Nessa Aurora de amor
 E o tempo passou
 E a gente cresceu
 E o sonho acabou
 E a gente se perdeu...
 Mas quem sabe se agora neste carnaval
 Você Colombina e eu Pierrô
 A gente se encontra ainda
 Quem sabe num bloco de amor! (2x)
 Chamado saudade!
