

Ron Pope - Ain't No Angel

Tom: G

Ain't no angel, oh gonna greet me

I've been so far gone living in a fever dream

C D I wanna stand on the mountain
 C D I wanna know how it feels
 C D I wanna see what the world looks like
 C D When everybody here can feel just what I say
 G F G And I'll do it my own way

F Yes, I know, well I know

G There's a price that I have to pay
 D C D D C D Cause I do it my own way

Bb F And I do not know what I need to see
 C Cause I'm on my own

Dm Bb The rules have changed since I learned to play
 F C So I burn in vain

Bb F It is harder now than it ever was
 C Dm But I'm strong enough, so I'm standing up

Bb F C There are things in me, my words cannot betray
 Bb F C G So I do what I do, what I do, what I do
 D C D D C D

And I do it my own way

D If I could see in the future
 C D If I could look from the clouds
 C D If I could learn what I don't have now
 C D And could not live without, I'd gladly stay
 G F G And I'd do it my own way

F Yes, I know, well I know

G There's a price that I have to pay
